GRAVÉ DANS MON CŒUR.

# DISCIPLINE & TRACK

# DHI

Downhill is a race against the clock in which the rider negotiates a succession of fast and technical passages. The participant must demonstrate courage as well as sharp technical and piloting skills in order to affront tree roots, banked sections, bumps, jumps and other natural obstacles along the way. Speeds reach around 80km/h in the men's races and 70km/h for women.

## TRACK FACTS
